

Church Membership

Membership of a local church is simply a commitment to serve the Lord Jesus Christ through a particular gathering of Christians. In the Walton area, five church branches work together through a Local Ecumenical Partnership.

The responsibilities of our church members are those expected of any Christian disciple as members of a local church. From guidance in the Bible these include:

1. Seeking to live a life of a disciple, consistent with the teachings of Jesus Christ.
2. To share regularly in the corporate worship and work of the local church and to support our fellow disciples.
3. To contribute, as able, resources of time, prayer and finance to the work of the church (local and national/international)
4. By example, words or other means, to encourage the spread of the Gospel of Christ.

The local church also has responsibilities to its members, which include:

1. To nurture and support the growth and development of Individual disciples of Jesus Christ.
2. To provide opportunities for members of the church to develop and practice their gifts within the activities of the local church.
3. To pray for each other and provide, when needed or asked, appropriate practical support.
4. To encourage, enthuse and, if necessary, correct fellow disciples.
